ITOPS Infra Servers Coordinator

Ciudad Juárez, Chihuahua, Mexico

Experience

Foxconn

1 year 11 months

ITOPS Infra Server Coordinator

January 2024 - Present (1 year 2 months)

Ciudad Juárez, Chihuahua, Mexico

Dedicated and results-driven ITOPS Servers Coordinator with 1 year of experience in overseeing and coordinating server management, IT operations, and team activities. Adept at managing cross-functional teams, optimizing server infrastructure, ensuring adherence to service level agreements (SLAs), and effectively managing annual budgets. Proven ability to streamline processes, reduce operational costs, and maintain a high level of service uptime. Committed to continuous improvement and strategic alignment with organizational goals.
